Surface Transportation Board

[Docket No. NOR 42136]

Intermountain Power Agency v. Union Pacific Railroad Company—Oral Argument

The Surface Transportation Board will hold oral argument on Thursday, November 14, 2013, at 9:30 a.m., in the hearing room at the Board's headquarters located at 395 E Street, S.W., Washington, DC. The argument will address the complaint of Intermountain Power Agency (IPA) challenging the reasonableness of rates established by Union Pacific Railroad Company (UP) for unit train coal transportation service from a point of interchange with the Utah Railway Company at Provo, Utah, to IPA's electric generating facilities at Lynndyl, Utah. The oral argument will be open for public observation, but only counsel for the parties will be permitted to present arguments.

IPA filed its complaint on May 30, 2012, and filed its opening evidence on December 17, 2012. UP filed its reply evidence on April 12, 2013. IPA filed its rebuttal evidence on July 3, 2013, and the parties filed final briefs on August 14, 2013. On August 29, 2013, IPA filed an unopposed motion requesting that the Board hold an oral argument in this proceeding. In their final briefs, the parties dispute numerous issues, among them whether certain traffic in IPA's Stand-Alone Cost model includes an improper cross-subsidy and whether the Board should apply a new cross-subsidy test proposed by UP to replace the Board's existing test. Parties should focus their argument on the cross-subsidy issues in addition to any other issues they consider important.

By November 7, 2013, each party shall submit to the Board the name of the counsel who will be presenting argument, and the name of the party counsel will be representing. IPA shall have 20 minutes to present its argument, and UP shall have 20 minutes to present its argument. IPA, in its filing, shall address the requested time reserved for rebuttal, if any.

Counsel for the parties shall check in with Board staff in the hearing room prior to the argument.

A video broadcast of the oral argument will be available via the Board's website at <http://www.stb.dot.gov>, under "Information Center"/"Webcast"/"Live Video" on the home page.
